Our Flag

Every country has a flag for its identity. Pakistan has a flag having green and white colours. Green colour represents the Muslims and the white colour represents the minorities.

The crescent with a star designed on the flag is the symbol of progress and bright future of Pakistan.

Flags of Different Countries

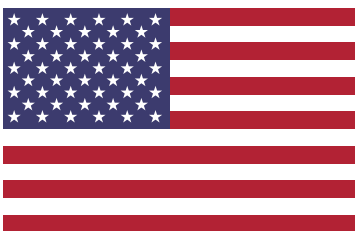

Saudi Arabia

Afghanistan

Iran

America

England

China

Activity

Complete the flag of Pakistan and colour it.

EXERCISE

1. Match the names of given countries with their respective flags.

Saudi Arabia
